📄 Why Your Football CV Matters

Your Football CV is one of the first things a club may see when you introduce yourself.

A good CV helps a manager quickly understand:

- Who you are
- Where you have played
- Your experience
- Your achievements
- Your current situation

A professional football CV shows that you take your football seriously.

⚽ Your CV Is Your Football History

A Football CV is different from your Player Profile.

Your Player Profile explains:

- The type of player you are
- Your strengths
- Your playing style

Your Football CV explains:

- Your football journey
- Your clubs
- Your experience
- Your achievements

📝 What Makes A Good Football CV?

A strong Football CV should be:

- Clear
- Professional
- Easy to read
- Accurate
- Up to date

Include:

- Personal details
- Playing position
- Current club
- Previous clubs
- Playing history
- Achievements
- Representative experience
- Contact information

⚠️ Common Mistakes

Avoid:

- Making it too long
- Adding irrelevant information
- Including inaccurate achievements
- Sending an outdated version
- Forgetting contact details

Keep it simple and professional.

💡 NLN Tip

Your football CV is not about making yourself look better than you are.

It is about making it easy for the right people to understand your football journey.

- Be confident.
- Be honest.
- Be professional.

🎯 Your Challenge

Create or update your Football CV.

Ask yourself:

☐ Does it clearly show my football history?
☐ Is all information accurate?
☐ Would a manager understand my experience quickly?
☐ Is it ready to send today?
