Cover Email Template

Hi **[Manager/Club Name]**,

I hope you're well.

My name is **[Your Name]**, and I'm currently looking for an opportunity to continue my football development.

I play **[Position]** and currently play for **[Club]**. I'm hardworking, committed and always looking to improve both on and off the pitch.

I've attached my Football CV and Player Profile, along with a link to my highlight video, so you can learn a little more about me.

If there are any opportunities to attend training or be considered in the future, I'd really appreciate the chance to be involved.

Thank you for taking the time to read my email.

Kind regards,

[Your Name]
